

TRIMURTI CARGO MOVERS PVT. LTD.

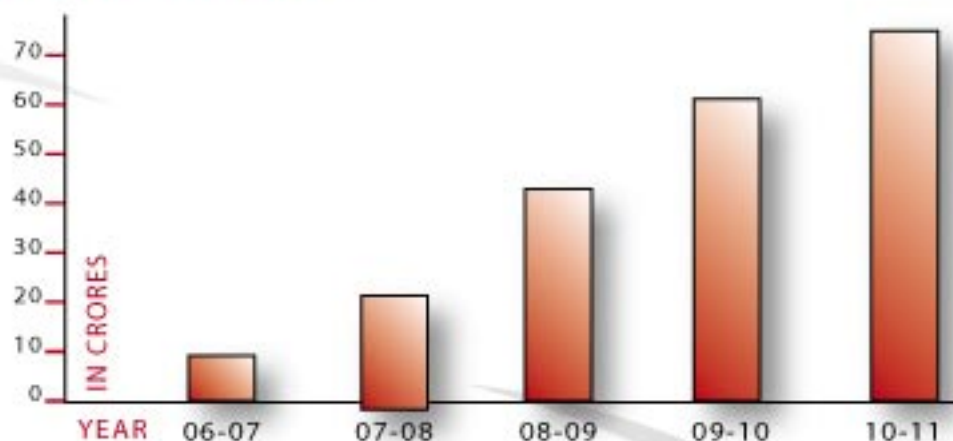

## WE WOULD LIKE TO SERVE YOU

We introduce ourselves as one of the fastest growing transport operator in the country. While going through the file you will come to know certain details which is not very commonly seen in an introduction of a transport company and this is what gives us a pleasure to introduce ourselves.

The company was incorporated in the year 1998 by three pioneers of the road transport industry .The company began it's operation with only one branch which is now our HO i.e. Kolkatta . In the span of 9 years the company has it's own offices at almost all the major towns & cities in India. We are catering to our clients needs as a multi model transport operator as we serve them thru' Road , Railways & Airways

The directors of the company are very young and energetic with a solid background and past experience in the transport industry. They are :-

## OUR GROWTH

Even **INDIAN BANKER'S ASSOCIATION** has given us an approval in the year 2000. We are also planning to take ISO 9000:2001 accreditation in the near future.

Our **ESTABLISHMENTS** at almost all the major destination helps us in sorting out local issues . This also helps us in giving our clients a **TOTAL LOGISTICS SOLUTIONS** , which we have been giving to few clients since the last five years.

We have taken steps which shows our concern towards **HEALTH, SAFETY & ENVIRONMENT** which is for the betterment of the industry and the society .We have insured our employees , directors and all our infrastructures to safeguard ourselves.

## COMPLETE LOGISTICS SOLUTION

We define complete logistics solution as managing the whole logistics of material handling for a company throughout India. The job according to us will include managing:

- **Imports(Domestic/International)**
- **Mother warehouse**
- **Primary Transportation**
- **C/F Depot Operations**
- **Secondary Transportation**

To manage all the above jobs you need somebody who has an all India network with experienced man power and financial resources to fulfill the daily needs of a depot any where in India.

### HOW CAN THIS BE POSSIBLE ?

What we need from you is some data in terms of your monthly volume of material you move throughout India, the no. of depots you have ,the average stock you maintain in your warehouse and frequency of deliveries from C/F depots to customers.

Looking at your needs ,we will provide you with a warehouse ,closer to all your manufacturing locations .We will take care of all your movements of raw/ finished material from local manufacturers as well as take care of your imports to the warehouse .In the warehouse , we can provide you with:

- Unloading/loading of your material
- Documentation of the receipts/dispatches on the software provided by you OR by us.
- Adequate experienced manpower
- 24 hrs. security for the warehouse
- Handling of all the Sales tax/ Excise documents with respect of the material handled in the warehouse
- Day to day reporting to your concerned office

## **WHAT ARE YOUR BENEFITS ?**

There are lots of benefits and savings you have if only one company is handling your material all over India .For example:

- One stop shop
- Time saving
- Cost saving in communication
- Cost saving in Freights
- Cost saving in Warehousing
- Consolidated reports at one place
- More reliability

## **HOW DO WE FIT IN ?**

We have all the expertise you will be looking in a company who can handle your product on an all India basis. To name a few:

- Experience
- Expertise
- Network
- Financial Resources

*Our Clients with whom we have associations:*

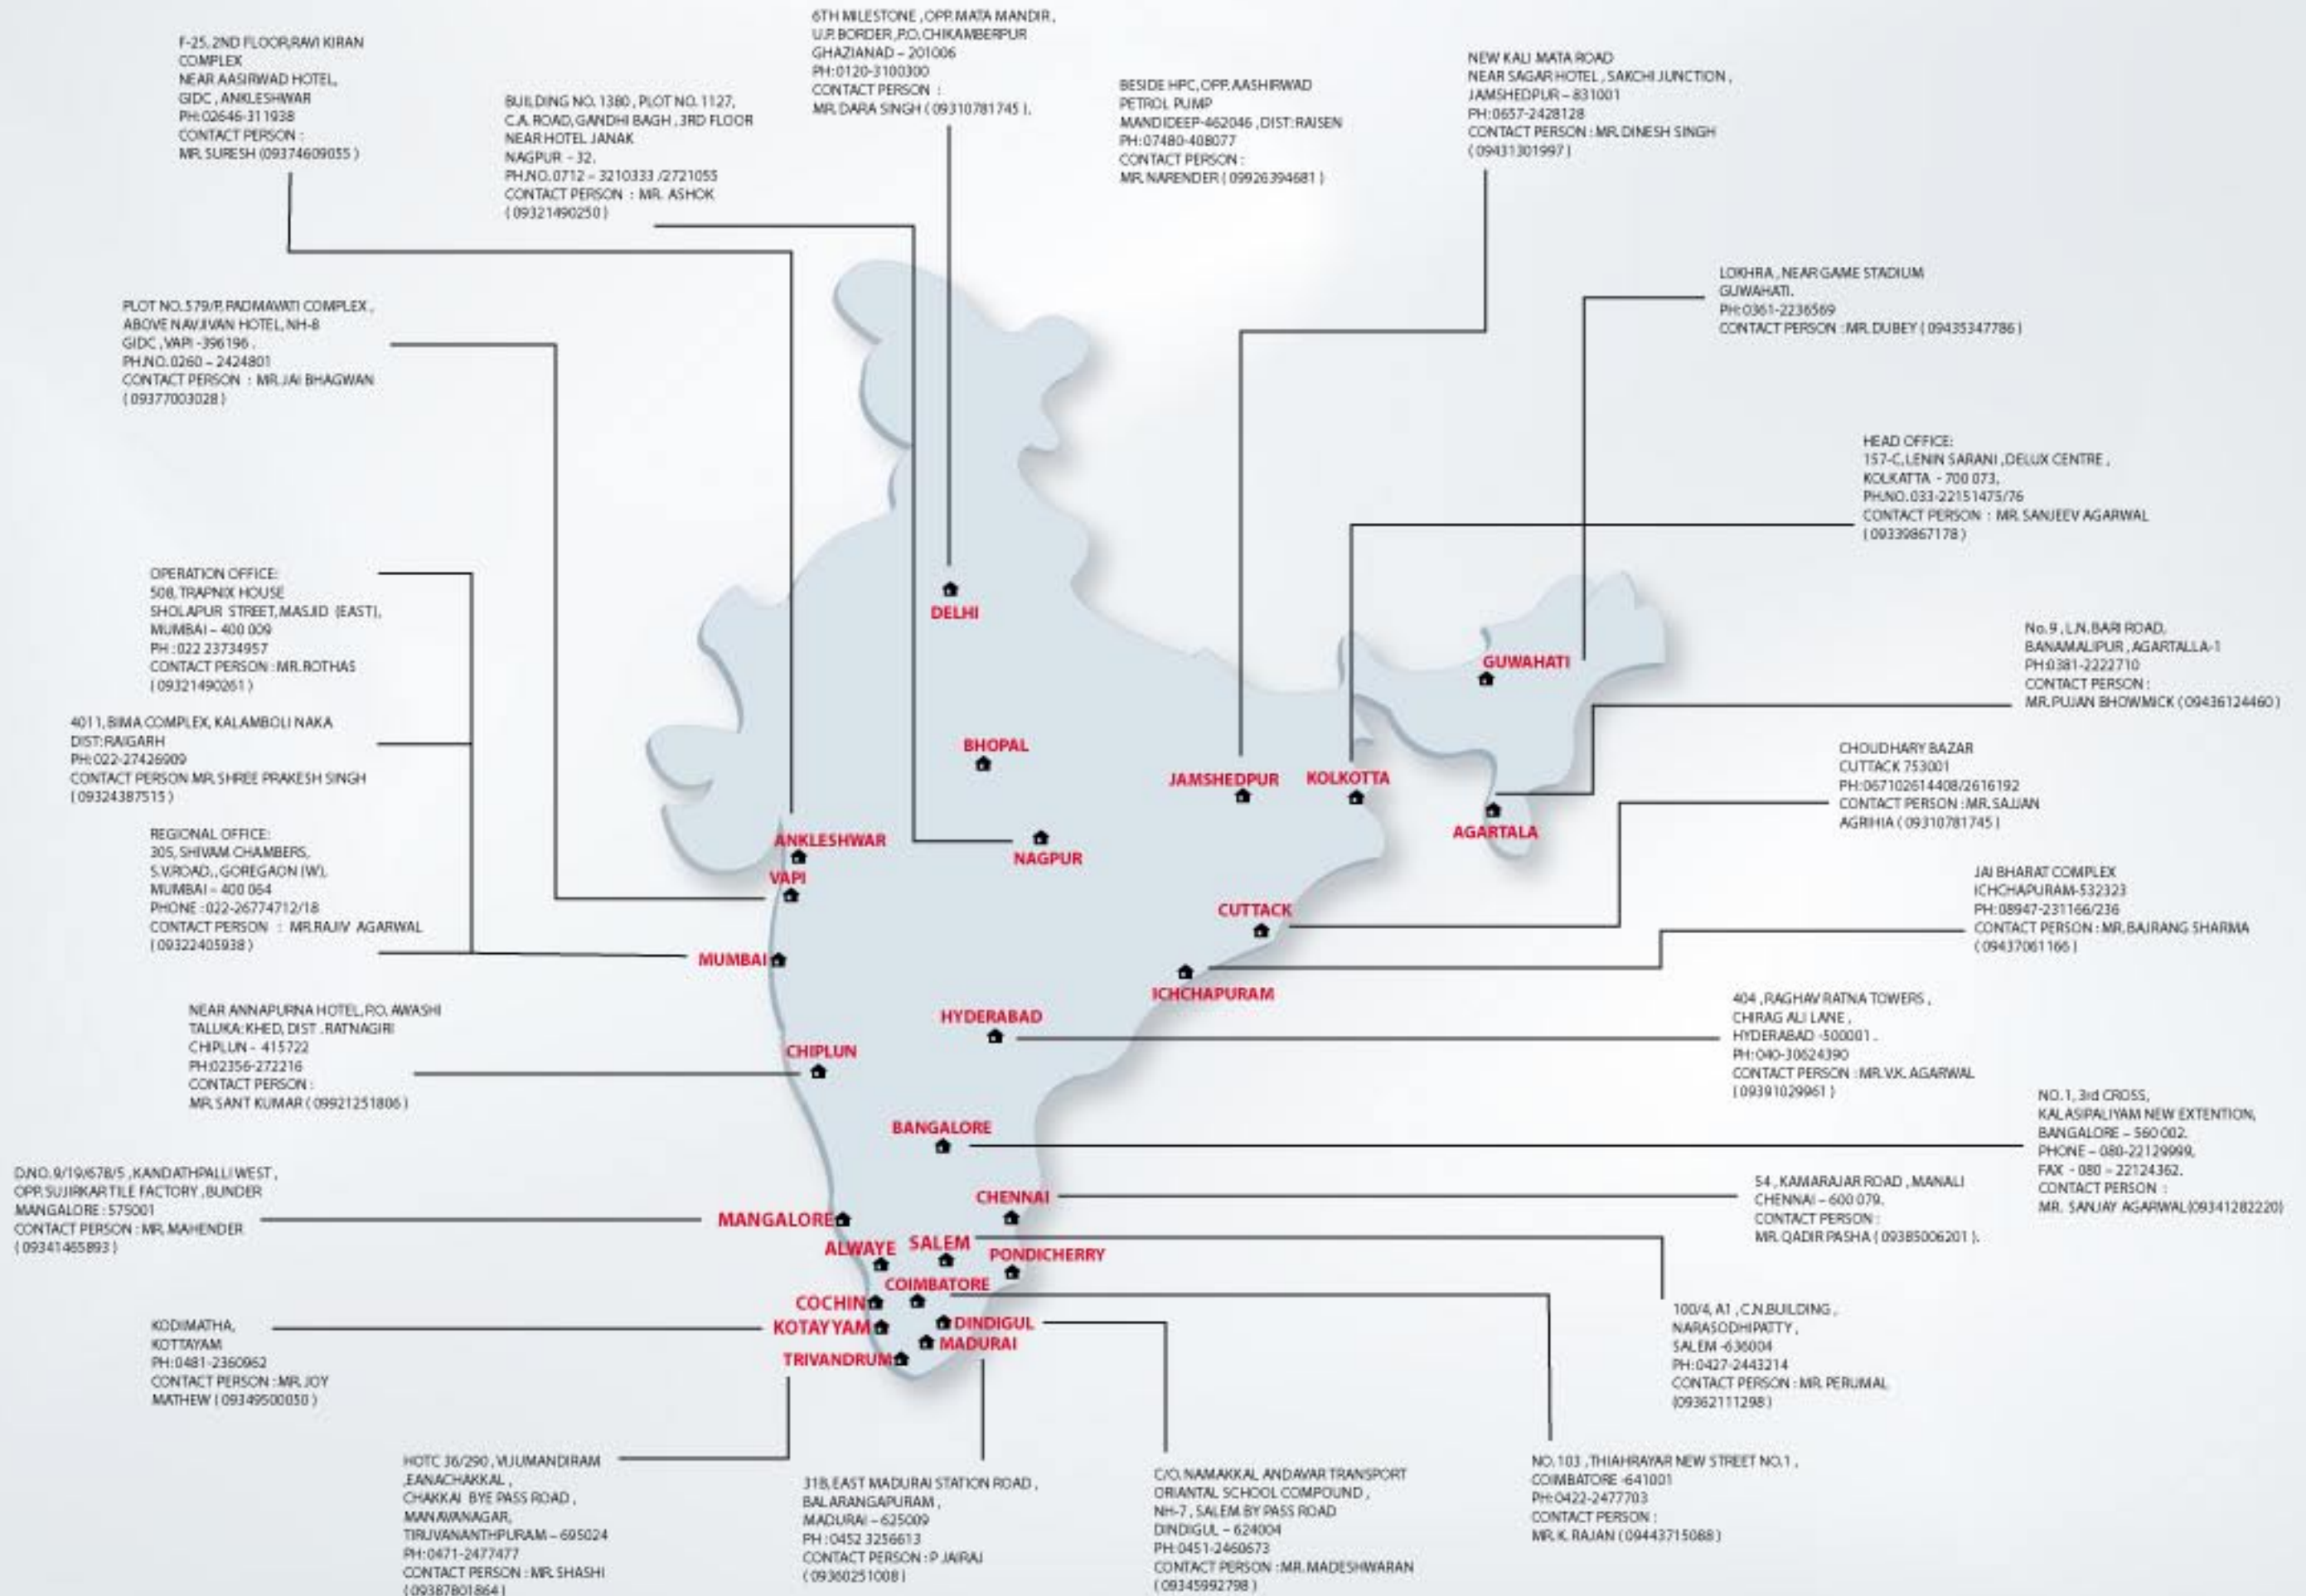

- **Balmer Lawrie Fuchs Ltd.**
- **Caltex Lubricants India LTd.**
- **Warner Lambert India Ltd.**

## **HOW TO START OFF?**

Whatever we have mentioned above has come from the experience we have while working. Hence we need to make a brief presentation for whatever we have stated and a visit to our existing set up which will make you confident in awarding your Complete Logistics to us.
